

WELCOME!

The **Marygrove Early Education Center** is a once-in-a-generation opportunity to thoroughly innovate early childhood education, comprehensively serve families, and build an intentional bridge from early childhood to success in K-12 and beyond. Welcoming nearly 150 children prenatal to five, students will have their curiosity championed and their voices amplified while they become critical thinkers, justice-minded leaders, and ready to thrive in school and in life.

An integrated service model offers a trusted and accessible space where education, wellness, and holistic family supports thrive under one roof. It is the first time in the history of Starfish when children, families, and education are placed at the center of economic redevelopment work—building a new landscape for Detroit and beyond.

We enthusiastically invite you to join us today and be part of the future of the Marygrove Early Education Center!

INVESTING IN THE FUTURE

Current investment opportunities are listed on our website: starfishfamilyservices.org/marygrove-eec. Investments can be made in a single gift or spread over a 3-to-5-year period.

Partnership benefits will be customized. Samples include:
